

“A MESSAGE FROM THE LORD”.....Mesa, AZ Branch

A Brother in our branch received notice that his position in the company that he worked for was being eliminated. This caused great concern and many of us went into mighty prayer on his behalf, as we didn't want our dear brother to have to move away to find work. One of our brothers was inspired to get out of bed and pray about this matter. While in fervent prayer in the wee hours of the morning, a vision appeared to him after saying "Lord, send our brother a message showing him what to do about his job" This is the vision that he saw. A scroll appeared in his bedroom with writing on it. It was suspended in air. It began flying in midair as the ceiling opened and the scroll flew out of the room and into the sky and out of sight. Still on his knees, the Spirit of God came over him and he began singing these words. "I believe the answers on the way. I believe the Lord has heard me pray ". He was filled with the Spirit and the joy of the Lord overwhelmed him. He never told anyone the vision until one day shortly after this he was having dinner at the brother's home whose job was being eliminated. After dinner, the host said this to all at his table. "I have some good news about my position at work. One of our sisters came up to me after the meeting and said ***"I have a message for you from the Lord. You are to stay with the company you're at in a different position that they will offer you and it will be sufficient for your needs. She also told him things about his life that she would have no possible way of knowing except by the Spirit of God.*** The brother who had the vision asked "Were those her exact words.... "I have a message for you from the Lord"? The host said "Yes they were ".

He began to weep and wasn't able to speak for a time then he told all there his experience about the scroll and the message being sent. What a beautiful confirmation of God working as a team, answering the prayers of his people!!

It is this writers' belief that the more we rely on our God instead of our own human understanding we will please the Lord and be truly blessed indeed!

“TRUST IN THE LORD WITH ALL THINE HEART; AND LEAN NOT UNTO THINE OWN UNDERSTANDING. IN ALL THY WAYS ACKNOWLEDGE HIM AND HE SHALL DIRECT THY PATHS “. Proverbs 3:5-6 Amen.
